### **Amateur Football Combination Representative Team- 2006/2007**

**To: All AFC Clubs, Referees and Officers**

I am writing to you in my capacity as the new Manager for the Amateur Football Combination Representative side.

As you may be aware we run a full programme of fixtures throughout the season, mostly midweek – afternoon or evenings (please see AFC website or the fixture bulletin for more details).

In forming our initial squad for this season we have already approached a number of the Clubs whose 1st Teams play in Premier and Senior 1 for recommendations and have had a good response. However, we are keen that the squad be truly representative of the AFC and recognise that there are very good players playing outside of the top divisions, who may welcome the opportunity to represent their Club at League level.

If you feel that you have a player(s) in your Club that may be worthy of consideration for the Representative side then we would welcome your recommendations (see below for contact details).

Equally, if you're a referee or league officer who spots a player you believe worthy of recommendation, please let us know – we want as many eyes out there as possible scouting for us to ensure we have the best players representing the league.

I look forward to hearing from you.

Yours sincerely,

Rory Vermeulen (Manager, Amateur Football Combination Representative Team)
