

# Spirit of Football

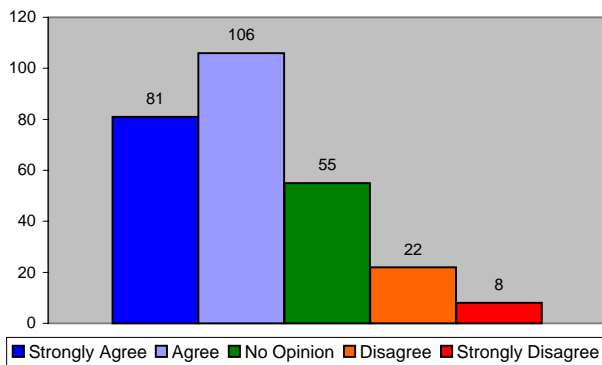

**1. We should continue to send out Spirit of Football postcards each season**

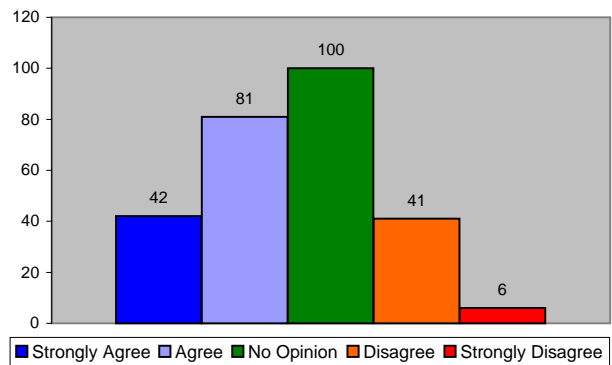

**2. We should continue to send out Posters for display in clubhouses, changing rooms.**

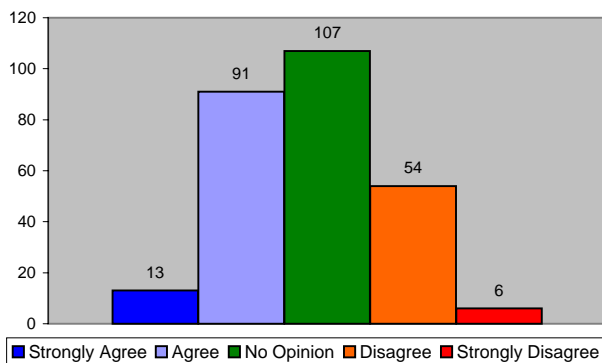

**3. Clubs should be required to wear Spirit of Football Captains' armbands**

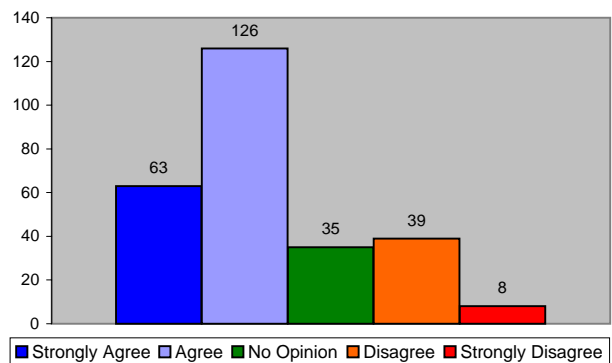

**4. I'd like to see Spirit of Football badges (see website) for players/refs kit available**

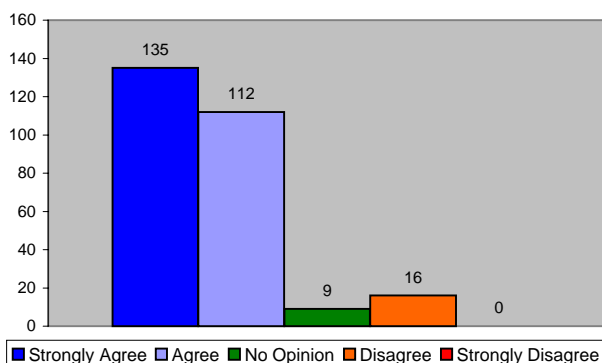

**5. Behaviour within the AFC has improved since the Spirit of Football campaign began**

**6. "Spirit of Football" pre-match briefings by referees are a good idea**

**7. Players need to be more aware of the Laws of the Game**

**8. A paper copy of the Laws of the Game sent to each club would be a good idea**
