.....(Club name)..... Football Club have been provided with a copy of
the Rules and Regulations of the Amateur Football Combination and do hereby agree for and on behalf of
the said Club to conform to those Rules and Regulations and to accept, abide by and implement the
decisions of the Executive Committee and other Committees of the League subject to the right of appeal
in accordance with Rule 15”.

Any alteration of the Chairman and/or Secretary on the above Agreement must be notified to the Amateur Football Alliance, any other County Football Association to which the Club is affiliated and to the Secretary of the League.

8. Qualification of Players

8 a: Contract players, as defined in Football Association Rules, are not permitted to play in the League.

8 b: A player having taken part in matches for any Club affiliated to any County Football Association shall not be allowed to be transferred to or play for a Club in the League without first proving to the officials of the intended Club that the player has discharged all reasonable financial liabilities to the previous Club or Clubs, and a Club official may not accept such a player without first ascertaining whether such claims have been discharged to the satisfaction of the Club, or Clubs, for which the player last played.

8 c: No player shall play for more than one Club in the League in the same season without the consent in writing of the Chairman of the Fixtures Committee. The Executive Committee shall decide all disputes between Clubs as to the eligibility of players.

8 d: Clubs shall keep a Register of playing members and a record of teams selected and those actually played. The information must be produced to the Chairman of the Fixtures Committee within 7 days of a request for it.

No player under 16 years of age shall participate in any AFC game.

[NOTE: this is an FA requirement for open age football.]

8 e: A register containing the names, addresses, dates of birth of all players registered with each Club, with the date of registration, shall be kept by each Club and be submitted to the Chairman of the Fixtures Committee not later than the commencement of the season, and again with all additions or deletions within 7 days of any request for it. It shall be open to the inspection of any duly appointed full member Club representative at all Executive Committee meetings or at other times mutually arranged. Registrations are valid for one season only.

The Executive Committee shall have power to make application to refuse or cancel the registration of any player charged and found guilty of undesirable conduct (subject to Rule 16) subject to the right of appeal to the FA, the AFA or relevant County Football Association.

Undesirable conduct shall mean an incident of repeated conduct, which may deter a participant from being involved in the League. Application should be made to the AFA or other parent County of the Club the player is registered with.

(Note: Action under rule 8e shall not be taken against a player for misconduct until the matter has been dealt with by the AFA or appropriate County Football Association, and then only in cases of the player bringing the League into disrepute and will in any case be subject to an Appeal to the Football Association.) For the purpose of this rule, bringing the League into disrepute can only be considered where the player has received in excess of 112 days' suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence.)

8 f:

- (i) Any team playing an ineligible player or players may have the points gained in the match deducted from its total and may be fined and/or otherwise dealt with at the discretion of the Fixtures Committee, who may order such games to be replayed.
- (ii) In addition the team may have up to four further points deducted from its total at the discretion of the Fixtures Committee and may be dealt with in any further manner which is thought to be fit.
- (iii) The Fixtures Committee may, in exceptional circumstances, award any points deducted from a Club under this Rule to the opponents in the match in question, subject to the match not being ordered to be replayed.

9. Club Colours, Club Names

9 a: Each Club must register the colour of its shirts and shorts with the League which shall decide as to their suitability.

Goalkeepers must wear colours that distinguish them from other players and the referee.

No player, including the goalkeeper, shall be permitted to wear black or very dark shirts.

Where two Clubs have similar colours the home Club shall change, unless agreement is reached to the contrary.

Players' shirts in all teams shall be uniquely numbered. Any Club failing to comply with this rule shall be liable to a fine by the Amenities Committee.

[NOTE: From season 2007/8 it will be expected that team Captains will wear arm bands to distinguish them in that role]

9 b: Any Club wishing to change its name and/or its colours must obtain the approval of the Fixtures Committee.

10. Playing Season, Conditions of Play, Times of Kick Off, Postponements, Substitutes

10 a: Clubs should start their programmes as early as possible. All teams in the Premier and Senior Divisions must have started league games by the penultimate Saturday in September, unless otherwise involved in Cup fixtures or requesting "no fixture" (see 10 g). All other teams must have started league games by the last Saturday in September. Every Saturday in the season shall be considered as available for League matches, unless otherwise agreed by the Fixtures Committee. The League Match Secretary may require matches to be played during April and May in midweek and on Sundays to ensure completion of the League programme. No Club shall be compelled to play on a Public Holiday.

Fixtures arranged by League Match Secretaries shall not be re-arranged by Clubs without the permission of the League Match Secretary.

10 b: All matches shall be played in accordance with the Laws of the Game as determined by the International Football Association Board.

Clubs must take all reasonable precautions to keep their grounds in a playable condition. The Amenities Committee shall have power to decide whether a pitch and/or facilities are suitable for matches in the League and to order the Club concerned to play its fixtures on another ground. If through the fault of the home team a match has to be replayed, the Fixtures Committee shall have power to order the venue to be changed.

All matches shall last two equal periods of 45 minutes, unless otherwise mutually agreed between the referee and the two participating teams, and in any event shall be of equal halves. Any agreement to alter the periods of play must be made before the start of play. No match shall last for less than 60 minutes.

The half-time interval shall be of five minutes' duration and may be altered only with the consent of the referee.

The latest times of kick-off shall be set by the Fixtures Committee. Any Club failing to commence at the appointed time may be fined.

Referees shall order matches to commence at the appointed time and must report all late starts to the League.

In the event of a team not being ready at the appointed time, provided 7 or more of the players are available, the referee shall order the game to proceed as soon as he sees fit. If it is not possible to commence the game within 30 minutes of the scheduled kick off time, the referee has the right to refuse to officiate and will be entitled to his fee from the home team. Any team not able to commence the game within 30 minutes of the due kick off time is liable to such action as the Fixtures Committee considers appropriate.

The home team must provide at least two footballs fit for play and the referee shall make a report to the League if the footballs are unsuitable.

10 c: Except by permission of the Fixtures Committee all matches must be played on the dates originally fixed but priority shall be given to The Football Association and all relevant County Association Cup Competitions and where relevant to matches played against the parent school/college/university of the Club. All other matches must be considered secondary. Clubs may only change the date of a match with the consent of the League Match Secretary.

10 d: The home Club must give full particulars of, and directions to, the ground and time of kick off to the match officials and to the away Club at least 5 days prior to the playing of the match. The two Clubs should also confirm team colours.

The home Club must ensure that the away Club and match officials confirm these details. It is not sufficient for the home Club to simply leave a message and assume that it will be collected.

Any Club failing to comply with this Rule shall be fined by the Fixtures Committee.

10 e: A Club shall play its strongest team as its first team, second strongest as its second team and so on. Clubs must operate selection policies that ensure there is completely free movement of players between teams throughout the Club based on playing strengths. Clubs must be able to demonstrate compliance with this rule if required to do so by the Fixtures Committee. Any Club infringing this rule may be liable to a fine, a deduction of points or to any other sanctions which the Fixtures Committee considers appropriate.

10 f: Any Club needing to cancel a fixture due to a shortage of players must: -

- (i) cancel the fixture of its lowest XI, and
- (ii) notify its opponents of the cancellation not later than 7.00 p.m. on the day preceding the fixture.

Any Club failing to comply with these requirements, or otherwise failing to fulfil a fixture, will be liable to a fine, deduction of points, replaying a fixture or fixtures and/or such other sanctions as it the Fixtures Committee considers appropriate.

10 g: Subject to rule 10f, a Club may cancel the fixture of its lowest team (unless in the Premier/Senior Divisions) because of a shortage of players, as follows: -

Teams entered by the Club in the League	Maximum cancellations by the Club per season
1 – 2	2
3 - 5	3
6 or more	4

Excessive Cancellations: Any Club cancelling more than the maximum permitted fixtures in any season may on each occasion be fined and be further penalised by the Fixtures Committee as follows:-

Further cancellation	Points deductions
First	1
Second	2
Third and subsequent	3

A Club cancelling any further fixtures thereafter, or any Premier or Senior Division fixture, may be further penalised by the Fixtures Committee.

10 h: A Club may request that “no fixture” be allocated to a team where there is good cause on a particular Saturday during the season. Such requests must be made to the relevant League Match Secretary at least four weeks in advance of the date concerned, who will then decide at his discretion whether to agree to such a request. A team is limited to one such request per season.

When a side has been granted “no fixture” the Club concerned must ensure that its remaining lower sides are not “over-strength”. This rule only applies to league fixtures.

10 i: Notice of postponement of any match must be given without delay to the opposing club and by both Clubs to the Referees’ Secretary, the match officials and the Appropriate Results Secretary. Both Clubs must ensure that the postponement is confirmed. It is not sufficient for Clubs to simply leave a message and assume that it will be collected. Should the opposing Club Fixtures Secretary be unavailable, contact

must be made with the opposing Club's Honorary Secretary, Emergency contact, and/or any other relevant Club Officer.

Both Clubs must inform the appropriate League Match Secretary of any postponed or abandoned matches no later than 9.00 pm on the day of the match, as well as reporting to the Results Secretary in the usual manner. The reason for the postponement shall be included on the Comprehensive Results Sheet.

Any Club involved in a drawn, postponed or abandoned cup tie must advise the appropriate League Match Secretary no later than 9 pm on the same day.

Any Club failing to comply with these requirements shall be dealt by the Fixtures Committee who may impose any penalty deemed suitable.

The Fixtures Committee shall review all abandoned matches and in a case where it is to the advantage of the League and does no injustice to either Club, shall be empowered to order the score at the time of the abandonment to stand.

In all cases where the Fixtures Committee is satisfied that a match was abandoned owing to the misconduct of one team or its Club Member(s) it shall be empowered to award the match to the opposition and/or to order the score at the time of the abandonment to stand. In cases where a match is abandoned owing to the misconduct of one or both teams or its/their Club members, the Discipline Committee shall take such action as it considers appropriate including the deduction of up to 6 League points from the offending team.

10 j: The Fixtures Committee may give any Club(s) not less than 28 days written notice of a closing date by which all their games in that season are to be completed and may fine any Club which fails to complete its fixture programme by that date for each game which has not been played.

10 k: A Club may at its discretion and in accordance with the Laws of the Game nominate and use up to a maximum of 3 substitute players in any match in the League.

The referee shall be informed of the names of the substitutes before the start of the match. A player not so named shall not be allowed to take part in the game.

10 l: In circumstances when the programme of fixtures becomes disrupted, League Match Secretaries may ask Clubs, or in exceptional circumstances, order Clubs to play games as double headers. This is to ensure the League Programme can be completed. In such circumstances two games shall be played, each game being of 60 minutes' duration. Each game is treated entirely separately, with each side as the home team for one game. Substitutes must be nominated for each match in the normal way. Matches cannot be played for double points.

The referee shall be entitled to a full match fee for each game, each club paying one match fee.

10 m: The Fixtures Committee may require a Club to withdraw a team from the competition if the Club has been unable to make that team regularly available for League matches.

11. Reporting Results

11 a: Each Club must submit details of results in a format prescribed by the League, including referees' marks, hospitality marks, Spirit of Football marks and any other information required by the League, to arrive not later than four days following the match. Clubs failing to do so shall be liable to be fined by the Fixtures Committee.

11 b: Results of all matches in the Premier and Senior Divisions 1, 2 and 3, including Cup Matches involving teams in those Divisions, must be reported by the home Club immediately after the match to the Press Representative in a format prescribed by the League. Teams in these divisions playing away Cup matches against teams which are not members of these divisions or the League must similarly report the result. If a match covered by this rule is postponed for any reason, the Club responsible for reporting

the result must advise the Press Representative by report by the published deadline. Clubs failing to do so shall be liable to be fined by the Fixtures Committee.

11 c: Clubs may also be required to report results of matches in other divisions to Results Secretaries in a manner to be prescribed by the Fixtures Committee. Clubs failing to do so shall be liable to be fined by the Fixtures Committee.

12 Determining Championship

12 a: Team rankings within the League will be decided by points with 3 points to be awarded for a win and 1 point for a drawn match. The teams gaining the highest number of points in their respective Divisions at the conclusion shall be adjudged the winners.

In the event of two or more teams being equal on points team rankings will be decided by:

- (i) Goal Difference, or if that is equal
- (ii) Goals Scored.

If the Goal Difference and Goals Scored are equal the Championship in that Division shall be shared

13. Referees

13 a: Registered referees for all matches shall be appointed by the Referees' Secretary in a manner approved by the Referees' Committee and by the Amateur Football Alliance.

When no official referee is appointed by the Referees' Secretary, the home Club shall provide an appropriate person to undertake the duties of a referee.

Please see guidance notes in section 1 of the handbook on the meaning of 'appropriate persons.'

13 b: In the event of the non-appearance of the appointed referee the game must be played and shall rank as a League fixture. If it is not possible to obtain a mutually acceptable substitute referee for the whole match each side must provide a referee for one half. Clubs shall have a whistle available for all home games.

A referee thus agreed upon shall, for that game, have the full powers, status and authority of a registered referee.

Note: a referee may not also play in the match whilst refereeing.

13 c: The Referees' Committee may, if it considers it desirable or upon application by the competing clubs, appoint any available Assistant Referees to a match. In that event the away team shall pay the home team the fee for one of the Assistant Referees.

13 d: The appointed Referee shall have power to decide as to the fitness of the ground in all matches and the decision shall be final, unless the authority owning or controlling the ground, whose decision must be accepted, has declared it unfit for play.

13 e: The home Club shall offer the match officials their fees before the match. The fees shall be agreed at the AGM and published in the League Handbook.

13 f: In the event of a match not being played for any reason, the home Club shall pay the match officials their fees in full, provided that they have made the journey to the ground.

Note: Subject to enquiry by the Fixtures Committee, the away side may be called upon to meet some or all of the expenses

13 g: A match official not keeping his engagement, and failing to give a satisfactory explanation as to his non-appearance, may have his name removed from the list of Referees at the annual review during the close season and the fact reported to the Association with which he is registered.

13 h: Each Club shall award a mark out of 100 for the referee for each match. Where a Club marks a referee 50 or less, a written explanation must be sent within 7 days of the match to the appropriate Referees' Secretary giving the name of the Referee and the reason(s) for such a mark. The League shall keep a record of all marks awarded to Referees.

[PLEASE REFER TO THE GUIDANCE FOR MARKING REFEREES at section 1 of this handbook]

14. Continuation of Membership or Withdrawal of a Club

14 a: A Club intending to withdraw from the League on completion of its fixtures and fulfilment of all other obligations to the League must notify the Secretary in writing by 31st March each Season or be liable to a fine.

14 b: Any Club wishing to withdraw a team must do so in writing, stating its reasons, to the Chairman of the Fixtures Committee with a copy to the League Match Secretary. The Fixtures Committee will consider each request on its own merit, and may determine that any request made after 31st October will apply only to the lowest team of the Club making the request.

14 c: A Club shall not be allowed to withdraw any or all of its teams from the League after the AGM for the following Season without the permission of the Fixtures Committee.

14 d: In the event of a Club which is an unincorporated association withdrawing and/or disbanding it shall be immediately liable to discharge all its financial and other obligations to the League.

In the event of any such obligation remaining undischarged after a period of twenty-one days then such obligation shall be met by the then current Club Members, excluding those under the statutory school leaving age. Until a Member's pro rata obligation is discharged in full the Member shall not be allowed to participate in the League, which may apply to the Club's Parent County Association for a suspension order.

15. Complaints and Protests

15 a:

- (i) All questions concerning the eligibility of players, qualifications of players or interpretations of the Rules on those matters shall be referred to the Fixtures Committee.
- (ii) Objections relating to the dimensions of the pitch, goals, flag posts or other facilities of the venue will not be considered by the Executive Committee unless a protest is lodged with the Referee before the commencement of the match.

15 b: Except in cases where the Executive Committee decides that there are special circumstances, protests and complaints under rule 15a (which must contain full particulars of the grounds upon which they are founded) must be lodged with the Secretary of the League within 7 days of the match or occurrence to which they refer.

15 c: No protest or complaint shall be considered by the Executive Committee unless the Club concerned shall have deposited with the Secretary of the League a sum of £25.00. This may be forfeited in whole or in part in the event of the protest or complaint being dismissed. The Executive Committee shall have power to order the defaulting Club or the Club making a losing or frivolous protest or complaint to pay the expenses of the enquiry or, if it is determined that two or more Clubs concerned were at fault, to order that the costs be shared by them, up to a maximum of £200.

15 d: All parties to a protest or complaint shall be afforded an opportunity to make a statement when the protest or complaint is being heard and shall have received 7 days notice of the hearing, together with a copy of the protest or complaint. When dealing with a protest or complaint the relevant Committee shall take into consideration the possession by the protesting or complaining Club of any information which, if properly used, might have avoided the protest or complaint. A Member of the Executive Committee who is a member of any Club involved shall not be present, except as a witness or representative of his Club, when such protest or complaint is being determined.

15 e: The Secretary of any Club wishing to complain against a decision of a League Officer shall notify the appropriate Committee Chairman within 14 days of notification of the decision requesting an informal review. The Committee Chairman shall respond within 14 days confirming whether the decision has been changed.

16. Board of Appeal of the A.F.A.

16: Within 14 days of the posting of written notification of any decision of the League a Club, Official or Player against whom the action is taken may appeal against such decision by lodging particulars in duplicate with the Secretary of the Amateur Football Alliance, including a fee as set by the Amateur Football Alliance, for adjudication of a Board of Appeal. A copy of this appeal must be sent to the Secretary of the League.

The grounds of appeal shall be in accordance with FA Rules. The Board of Appeal may order the appeal fee to be forfeited and shall decide by whom the costs of the appeal shall be borne. The decision of the Board of Appeal is final and binding on all parties concerned.

17. Suspension and Exclusion of Clubs or Teams. Misconduct, Clubs, Officials, Players

17 a: The Executive Committee shall have the power:

- (iv) to impose any other sanctions on a Club that may be deemed appropriate.

Such decisions must gain a two-thirds majority of those present and voting. A Club liable to suspension or expulsion shall be called to attend the Executive Committee meeting that considers the matter. The playing record of a Club suspended or expelled under the provisions of this rule may be expunged from the League tables.

17 b: The Emergency Committee shall have the power to suspend any Club in advance of the procedures set out in Rule 17a until the next meeting of the Executive Committee.

17 c: Any Club called to a hearing must be represented at a minimum by any three of its senior Officers. The Executive Committee shall have the power to specify which Officers shall attend the meeting. The Club shall be liable to pay the costs of the hearing.

17 d: The Executive Committee may make a recommendation to the AGM concerning the future membership of any Club.

17 e: At the AGM, or SGM called for the purpose, Notice of Motion having been duly circulated on the Agenda, the accredited delegates present shall have the power to exclude any Club from further membership upon a majority of two-thirds of the votes cast.
